Subject: Microsoft Settlement

To whom it may concern:

I would like to voice my disapproval of the proposed Microsoft Settlement. I would like to refer to Dan Kegel's comments as reflective of my own views:

<http://www.kegel.com/remedy/letter.html>

The proposed settlement does not go nearly far enough to prevent Microsoft from using their monopolistic position to maliciously and without merit destroy competitive products/companies/industries/etc.

Thank you for your time.
